Invitation – Mining & Risk Seminar

Helping companies and investors to realise opportunities in complex environments.

SLR and Strategia Worldwide cordially invite you to a Mining & Risk Seminar. The focus of the event will be how a comprehensive approach to risk management, addressing technical, political, environmental, social, and regulatory risks, as well as security risks, can help companies and investors fully understand complex environments, assess risks, break down silos, identify gaps and understand the relationship between risks.

Our featured speakers are:

- **Edward Haslam**
Senior Advisor, [Strategia Worldwide](#),
Deputy Chairman Centamin, former CEO Lonmin
- **Sir Richard Shirreff**
Partner, [Strategia Worldwide](#)
- **Jonathan Veeran**
Partner, [Webber Wentzel](#)
- **David Walker**
